

Product Compliance Certificate

Certificate Number: 3175174-OK-13-281-01A

Certification is based on the type testing according to below named standards and production is monitored by an Initial and Annual Follow up Inspection Service.

Notice to Authorities:

This certificate indicates that a third party Accredited Body has tested and verified that the products listed comply with the relevant harmonized standards to directives listed on this certificate. The manufacturer may indicate compliance to said directive by signing a Declaration of Conformity to products identical to the tested samples.

In addition, annual factory inspection has been performed for further verification of compliance. Intertek requests all whom may be concerned to allow products entry into the European market without delay or prejudice. The applicant may rightfully use this certificate to mark their products with the ETL^{EU} mark identified above.

Intertek is a leading international provider of quality and safety services to a wide range of global and local industries. Intertek's laboratories are included in IECEE CB scheme as operational CBTL and hold several local accreditations.

Product Name

MG6250 Control Panel, REM1/REM15/REM3 Handheld Remote Transmitters, REM101 Wireless Handheld 1-button Remote Control

Trademark

Paradox OR Magellan

Model Number(s)

MG6250 Control Panel
REM1, REM15, REM3 Handheld Remote Transmitters
REM101 Wireless Handheld 1-button Remote Control

Description

MG6250:

The MG6250 Console offers a combination of security, wireless convenience, and attractive consumer features. In addition, it features Paradox's simultaneous six-channel reporting that allows you to report via IP, GPRS, GSM, SMS, voice, and traditional landline. In case of a panic or alarm, the console will report on all six channels, making sure the report is transmitted.

The MG6250 supports two partitions for two separate security-monitored areas with up to 64 wireless zones. In addition, the console offers different arming levels: Stay, Sleep, and Full arming, as well as StayD, Paradox's patented protection level that ensures better, adaptable, protected living. Not only an alarm system, use your MG6250 to leave messages as an alarm clock, telephone, monitoring device, and much more.

Your MG6250 alarm system provides burglary protection for your residential or commercial establishment. Monitoring is performed through various interior and exterior contact and motion sensors. Emergency protection, such as fire, police, and medical emergencies may also be provided by your system.

The REM1 is a hand held remote control transmitter for use with Magellan™ security systems.

The REM15 is a hand held remote control transmitter for use with Magellan™ security systems.

The REM3 is a hand held remote control transceiver for use with Magellan™ security systems.

The REM101 is a single-button hand held remote control transmitter for use with Magellan™ security systems. All of the components included in this report are available in 433 MHz or 868 MHz versions.

All models Classifications of installation and use: Security Grade 2; Environmental Class II

Test Report No

100528653MIN-001EU

Standards/Directives

EN 50131-1: 2006/A1:2009

Lab accreditation

Tested in accordance with A2LA accreditation to IEC/ISO 17025:2005, Certificate number 1427.01

Issued Date

February 6, 2013

February 6, 2018

Maximum 5 years or the validity limitation of the standards/directives used, whichever is sooner.

If the product is to be marketed in different European countries, it must be provided with a certified plug

appropriate for each country.
Safety related parts of the user instructions shall be written in a language acceptable to the country where the product is to be used.

This certificate, which includes production control, is considered to constitute sufficient support for an EC Declaration of Conformity and CE marking of the product according to the Low Voltage Directive 2006/95/EC. Other EU directives may apply.

Name of Certifier

This certificate is for the exclusive use of Intertek's Client and is provided pursuant to the Certification agreement between Intertek and its Client. Intertek's responsibility and liability are limited to the terms and conditions of the agreement. Intertek assumes no liability to any party, other than to the Client in accordance with the agreement, for any loss, expense or damage occasioned by the use of this Certificate. Only the client is authorized to permit copying or distribution of this Certificate and then only in its entirety. Use of Intertek's Certification mark is restricted to the conditions laid out in the agreement and in this Certificate. Any further use of the Intertek name for the sale or advertisement of the tested material, product or service must first be approved in writing by Intertek. Initial Factory Assessments and Follow up services are for the purpose of assuring appropriate usage of the Certification mark in accordance with the agreement. They are not for the purpose of production quality control and do not relieve the Client of their obligation in this respect.
